

Below are the UI wireframes for the system:

The image displays two smartphone screens side-by-side, representing a mobile application interface. The left screen is titled 'Registration' and contains a form with the following fields: First Name (placeholder: Enter your first name), Last Name (placeholder: Enter your last name), Date of Birth (placeholder: MM/DD/YYYY), Address (placeholder: Enter your address), City (placeholder: Enter City), State (placeholder: Enter State), Username (placeholder: Choose Username), Password (placeholder: Choose a password), SSN (placeholder: XXX-XX-(_ _ _)), and Zipcode (placeholder: Enter 5 digit zipcode). Below the fields is a checkbox labeled 'I accept the terms and conditions' which is checked, and a blue 'Sign Up' button at the bottom. The right screen is titled 'Label' and features a list of four menu items, each with a right-pointing chevron: 'Start a new loan Application', 'Application Status', 'View active applications', and 'Check credit analysis'.

Forms:**Borrower Information Form:**

Fields to capture borrower's personal information such as name, contact details, social security number, employment details, income, credit history, and other relevant details.

Validation checks to ensure accurate and complete data entry.

Submit button to save the borrower information.

Loan Request Form:

Fields where loan officers can enter loan request details such as loan amount, loan type, interest rate, repayment term, collateral details (if applicable), and other relevant information.

Option to upload supporting documents such as pay stubs, bank statements, and credit reports.

Submit button to save the loan request information.

Reports:

Loan Approval Report:

A report summarizing approved loans, including loan details, borrower information, loan officer's name, and approval date.

Option to filter and sort the report based on various criteria, such as loan type, loan amount, and approval status.

Export option to download the report in different formats, such as PDF or Excel.

Loan Tracking Report:

A report providing loan tracking information, such as loan status, payment schedule, payment history, and outstanding balance.

Option to filter and sort the report based on various criteria, such as loan status, borrower name, and loan officer's name.

Export option to download the report in different formats, such as PDF or Excel.
